

**The Look at “The Church”
The Pre(Sense) of God Over His Church
The Acts of the Apostles Chapter 12**

The eyes of the Lord are over the righteous

1Peter 3:12

The Lord sees:

 An Apostle killed

 His Forefathers

 His Friendship

 His Future- Mark 10:39

 An Apostle Incarcerated

 Held captive

 Held in comfort

The ears are open to our prayers

The Lord hears:

 Human action- a prayerful church

 Through tears

 Through imperfections

 Heavenly reaction- a powerful angel

 No explanation

The face of The Lord is against them that do evil

 Political interests

 Prideful influences

 Painful endings

The Lord knows

 The Lord sees your suffering

 Never think that no one cares

 The Lord hears our prayers

 Are we seeking The Lord’s will?

The face of God is against evil

 Whose side are we on?
